

in praesentia autem crescant, & inveniantur majora; id  
TIBI adhuc adolescentulo evenisse, nosmetipsi, SERE-  
NISSIME PRINCEPS, proprio experimento didicimus.  
Eo nimirum in itinere, quo ad inclytum utriusque Si-  
ciliae REGEM CAROLUM dignissimam Conjugem  
MARIAM AMALIAM Sororem Tuam adducens, vel  
exinde in Germaniam rediens, varias easque insigniores  
Italiae Urbes adiisti; quae de ingenio, de indole, de  
studiis, pietate, & comitate Tua ad nos ferebantur,  
adeo erant insignia; ut (quod candide fateri non re-  
cusamus) sicuti supra aetatem, ita supra fidem posita  
viderentur. At cum primum Veronam accessisti, ubi  
aliquot dies immorari, & res nostras perspicere, ac no-  
bis Tui copiam facere pro humanitate Tua TIBI pla-  
cuit; minora fuisse cognovimus, quae de TE rumor  
ad nos pertulerat, quam quae ipsi oculis usurpavimus.  
Pellexisti statim omnes in amorem Tui praecipua comita-  
te morum, & lenitate sermonis. Egregiae vultus formae  
praeclaram animi indolem respondere deprehendimus.  
Crebra Catholicae religionis ac pietatis in Deum testi-  
monia dedisti, quae praevalido aliis exemplo esse pos-  
sint. Ingenium ac studia Tua, amoremque erga lit-  
teras peculiarem multa probarunt. Vivit praesertim,  
vivit adhuc memoria ejus voluptatis, qua res antiquas  
hujus Urbis invisens, non cursim, sed mira attentione  
perpendisti singula, & memoriae praeterea mandasti.  
Memoratur jucunde perspicacitas illa mentis atque illa  
rerum peritia, quarum idemtidem in variis argumen-  
tis, quae fermocinando inciderant, praeclara speci-  
mina praebueris. Illud insuper tunc admirati nostrates,  
praedicare non cessant, ingenii praestantiam tantosque  
stu-

studii litterarum in Te fructus rara commendari memoria, qua praeter Theutonicam linguam patriam, probe callebas non Latinam modo, verum etiam Gallicam, Polonam, Italicam. Post tot tantarum virtutum ac dotium experimenta, nihil de TE quantumvis maximum audire contigit, quod incredibile videretur.

Quoniam vero inter ea studia, quae homines colunt, & diligunt, alia alios allicere prae ceteris solent; TE numismatum, & id genus antiquitatum amor, ac studium maxime tenet. Hinc factum, ut Potentissimus REX PATER TUUS, qui TE suo exemplo, suisque optimis institutis, ac praeclaris gestis ad eximia quotidie vocat, quamvis & ipse eodem studio, & amore incensus, TIBI tamen, quo currenti stimulos adderet, tuumque studium magis magisque acueret, ac foveret, ante aliquot annos celeberrimum Museum dono dedit. Illud inquam Museum inter inaeestimabiles venerandae antiquitatis reliquias, nummis praesertim cujusque generis, aetatis, & linguae refertissimum, quod ab Augusto immortalis memoriae Electore olim comparatum, dein ab Joanne Georgio I. item Electore in peregrinatione Italica auctum, ac postea accessionibus longe majoribus locupletatum ab incomparabili Avo Tuo Friderico Augusto, primo Poloniae & Saxonica stirpe Rege, triginta circiter nummorum millia complectitur. Sola numismata Saxoniorum Ducum, & Electorum a Tentzelio illustrata, duobus voluminibus continentur ab illo editis, quae *Saxoniam Numismaticam* inscripsit. Hoc porro Museum Tu, SERENISSIME PRINCEPS, mel ac delicias Tuas esse, continenter ostendis, quippe qui & eruditis viris omnibus peregre

egre advenientibus illud aperias libentissime; & mirae, quam ex ejusmodi fonte hausisti atque haurire pergis, eruditionis nova in dies, eaque luculentissima, omnium oculis argumenta subjicias.

Hicce ego de causis, cum constitutum mihi sit e meo privato Museo Regum, Populorum, & Urbium, ac Imperatorum numismata iconibus expressa emit-tere, & inter haec non pauca, quae vel in cete-ris collectionibus desiderantur, vel cum mutilis, aut corruptis epigraphis edita sunt; non abs re futurum credidi, si hoc opus TIBI nuncuparem, ut, quod ad illustrandum antiquorum numismatum studium perti-net, peritissimi, ac studiosissimi rei nummariae PRIN-CIPIS nomine honestaretur. Hac ergo in sententia cum essem, quod videbatur maxime conveniens, feci, eo-que feci alacrior, quia TE votis meis annuentem, hoc quaecumque munusculum meum libenter ( quae summa benignitas Tua est ) suscepturum accepi. Si au-tem id adsequar ut TIBI mea haec diligentia probe-tur, labores meos non exiguo sane fructu compensatos existimabo. Vive diu, PRINCEPS OPTIME, Rei-publicae litterariae decus, fospes & felix vive : meque inter clientes Tuos adscribere ne dedigneris.

Veronae Idibus Septembris Anno MDCCLI.
